Applications

4

Conclusion

A decorative graphic at the top of the slide featuring a network of interconnected nodes and lines. A central node is highlighted with a blue double quote icon. The nodes are represented by circles of varying sizes, some with concentric circles, and the lines are thin and grey.

“

*"A picture is worth a thousand words"*

# *What is Computer Vision?*

Computer vision is a field of artificial intelligence (AI) enabling computers to derive information from images, videos and other inputs.

# What is an Image?

An image is made bunch of pixels together

# Applications

- Filters on Editing Apps and Social Media

# Applications

- Face recognition systems

# Applications

- Object detection

# Applications

- Self driving cars

# Applications

- Traffic Sensing Technologies

# Applications

- Licence plat recognition

# Applications

- Parking lot detection

# Applications

- Fingerprint recognition

# Applications

- Medical fields
